The Skyhawk Brief

This is a monthly newsletter. Squadron members can submit material by the 15th of each month to Don Brown, email dbrown@lemoorenet.com or dbrown@csfwplemoore.navy.mil, to be published the following month. Items of interest can include any training scheduled in the area that may be of interest to members or activities at other squadrons that might be open for participation. We can put anything we would like to in this newsletter. The more we get the more informative the newsletter will be.

Squadron Commanders Comments:

This last month has been a good one for us. We have gained new members, completed emergency services (ES2) training and the squadron charter surfaced its head to show it is making its way. Now we have the next steps to do.

With the new members starting Don and I will be putting on the Level 1 in August. And get an ES1 class to follow.

Now that ES2 is completed, the next step for pilots is to get a CAP check ride. We will get check pilots with our pilots at the next couple of meetings.

The squadron charter now needs an IRS employer ID number. I have requested the form and it's on the way.

Thanks, keep up the good work.

Brad
